***On memo line: Be sure to note your donation is for “SVdP Trumbull”***

These past 15 months have been incredibly challenging times for our neighbors in need. The *devastation of COVID-19* has led to an exponential demand for our services. Emergency shelter requests have more than tripled and we now provide hot meal service for 300 people each day—nearly 6000 meals each month. Applications for other safety net services have skyrocketed as well.

We need your assistance to continue to our mission!

*Please donate to help us provide a **hand-up** to hundreds of Trumbull County families in need.*

***Since 1930 St. Vincent de Paul Society has been Neighbors Helping Neighbors!***
